Barefoot's Promise To You

Free Estimates We are dedicated to providing superior specialty products at a competitive price. Additional and hidden charges can escalate the cost of any shower door installation. With Barefoot and Company estimates are free which is a cost-savings to you.

Realistic Expectations We establish realistic expectations by thoroughly explaining our process. You may rest in the fact we leave no job unfinished and no questions unanswered.

Proper Installation Barefoot and Company employs dedicated and qualified professionals and empowers them with the necessary tools and training to properly obtain the correct dimensions the first time. We believe in getting the job done right the first time and with Barefoot and Company you avoid the following risks associated with improper shower door installation: (1) Unnecessary gaps that can cause costly water damage (2) Damaged merchandise (3) Improper or messy caulking.

Thorough Job Inspection Barefoot and Company provides correct installation, proper performance and thorough inspection for all of our activities. Our quality is backed by an NHQ certification which assures our commitment to customer satisfaction.

Clean Workspace Your home is your haven. Barefoot and Company respects that and maintains a clean workspace. Post-installation areas inside and outside your home are thoroughly cleaned and all debris is properly disposed.

ClearShield™ is a unique polymeric resin coating applied to the glass surface which seals the surface and helps prevent chemical corrosion leading to spots, stains and scale build-up. Glass treated with ClearShield is easier to clean, resulting in glass that maintains its "like new" appeal with less cleaning effort.
